Winter Family Weekend

This year we made some changes to both our registration and fee structure for the Winter Family Weekend. In the past, only those playing sports were asked to pay a fee and the Church subsidized our other expenses. To keep from increasing the amount of subsidy needed as the event grows, we are asking each person over the age

of 12 to contribute a \$10 per person event fee. There is still an additional fee for sports, but this new event fee will help us offset some of the additional costs for seminars, family events, Sabbath services and the many other events included in the weekend.

We are asking every family attending to register—not only so we can give instructions on where to send the fee, but also so we can have a better idea of how to plan our space needs.

As well, anyone over 12 in the family who is also playing a sport should register separately so we can plan for the sports facilities. But he or she should leave the number of preteens and total members of the household blank and select "Non-paying family member-\$0 Due" in the fee choices. By having only the paying family member answer how many preteens and total family members are attending and choose the appropriate fee for the whole household, we keep from duplicating attendance numbers.

If you need assistance in updating your registration, please contact Ken Treybig at ken.treybig@cogwa.org.

We deeply appreciate your cooperation.
