General Announcements

Klefer Reception

There will be a reception to honor Mr. & Mrs. Dean Klefer for their 60th wedding anniversary **today** after services. Please join us in celebrating this special occasion.

Camps Bob White & Sequoia

Our second and third camps of the summer were preteen camp. They went very well despite some unexpected surprises with the facilities at Bob White. Thank you very much for your prayers.

Serving at the Feast

If you have already volunteered online to serve at the Feast, thank you very much! If you can help out (and ALL sites still need more help) but have not yet volunteered online, please do so ASAP to help the

coordinators with their planning.

Just click the “Serve at the Feast” button on the top of the Feast website (<http://feast.cogwa.org>) to start the process. From the page that opens, pick the site you’ve registered to attend to see the instructions and click on the “Sign Up” button for that site.

When you click “Sign Up,” a new box will open that will ask for your name, email address (preferably the same one you used to register), the areas in which you wish to serve, and any special notes that are needed. It’s that easy and very appreciated by those coordinating the various service areas.

International Feast Sites

This year we have a large number of Americans transferring internationally for the Feast of Tabernacles. This is a wonderful opportunity, but it requires close coordination between the U.S. and the international Feast coordinators.

All U.S. members registered on the U.S. website regardless of whether they were going to a U.S. site or transferring internationally. However, it is VERY IMPORTANT that all members transferring internationally also communicate with the international Feast site coordinators

about coming to their site. This seems to be working well for some sites, but not as well for other sites.

The number of visitors from the U.S. makes a significant impact at international sites. While they welcome U.S. members, they need to know how many to plan for—those definitely planning to attend their site. In order to help with this, we need ALL U.S. MEMBERS PLANNING TO TRANSFER TO THE FOLLOWING SITES to contact the Feast coordinator at that site as soon as possible to confirm your plans to attend the site, along with the number in your party who will be attending with you.
