### General Announcements

#### Camp Carter Church Services

While we would like to invite everyone to join us at Camp Carter for services on Sabbath, July 11th, the room will barely hold the 145 campers and staff who will be present. As a result, only spouses of Carter staff are able to attend the service.

Camp has gone exceptionally well this year. We were blessed with good weather and only one class period that was cut short when we were surrounded by thunderstorms on Wednesday. Your prayers for a good end to camp and safety for everyone as they travel home would be appreciated.

#### “Friday Night Live”

Mr. Clyde Kilough will present the next “Friday Night Live” Bible study next Friday

night, July 17. To connect, go to <http://members.cogwa.org/fnl/>.

#### Pre-Feast Sabbath

Everyone who is registered for a Feast site should have received an email this week with a survey asking if you plan to attend church services in the site you are attending the Sabbath before the first day. It is important that everyone responds to this email for proper planning, even if you do not plan to be at the Feast site by that Sabbath. If you need assistance completing the survey, please send an email to [registration@cogwa.org](mailto:registration@cogwa.org).

#### International Feast Sites

This year we have a large number of Americans transferring internationally for the Feast of Tabernacles. This is a wonderful opportunity, but it requires close coordination between the U.S. and the international Feast coordinators.

All U.S. members registered on the U.S. website regardless of whether they were going to a U.S. site or transferring internationally. However, it is VERY IMPORTANT that all members transferring internationally also communicate with the international Feast site coordinators about coming to their site. This seems to be working well for

some sites, but not as well for other sites.

The number of visitors from the U.S. makes a significant impact at international sites. While they welcome U.S. members, they need to know how many to plan for—those definitely planning to attend their site. In order to help with this, we need ALL U.S. MEMBERS PLANNING TO TRANSFER TO THE FOLLOWING SITES to contact the Feast coordinator at that site as soon as possible to confirm your plans to attend the site, along with the number in your party who will be attending with you.
