FOI - Embark

Foundation Outreach International's new **Embark** program is ready for your participation.

We have an opportunity for all young people in their first career or those about to start their careers from college, trade school or high school—who want a *personal travel guide* to take them on seven journeys of travel to explore a world of *ideas and advice* built just for them— from thought leaders and cool programs at top uni-

versities, corporations, business consultants and life coaches—through a *totally free program* of awesome personalized success training for *work, family and life*.

But **Embark** is missing something ... **YOU!**

- Would you like to get a head start on skills that can benefit you for the rest of your life?

- Would you like to explore which jobs and careers fit you?

- Would you like to be personally advised by a person with years of work experience?

- Would you like to avoid unnecessary bumps in the road?

- And would you like to explore your world of opportunities?

Then join us for seven journeys that will change your life by signing up for **Embark**.

To sign up, go to www.embarkprogram.org and complete a Traveler application online.

Kenya FOI Project

Greetings from Allen, Texas!

Foundation Outreach International and the Church would like to announce an opportunity for up to four young adults to serve in Kenya at the youth camp in mid-December 2016. The camp is a weeklong youth camp with a potential safari trip

to a Kenyan game park after camp.

We recommend you visit the FOI website (accessible from the COGWA member website) if you are interested in this unique service project, and please pick up copies of both the project **fact sheet** (which details requirements, dates and costs) and the **application**. The deadline for applying is **Aug. 31**; however, the **SOONER** you apply the better, as we will be accepting people during the process! So, get your application in soon!

For those few who may have ALREADY completed a PRELIMINARY INTEREST form from the FOI website—be sure to complete the application as well, available online or at the Information Table.

If you have any questions, feel free to contact Tim Waddle at tim.waddle@cogwa.org.

Thank you all very much and *karibu sana!*
