### General Announcements

#### Construction Area

Due to safety concerns, we ask that parents be sure to keep your children out of the old kitchen area behind the auditorium. The cabinets are gone and all the electrical outlet covers were removed so the sheetrock can be repaired. We have pulled the partition doors most of the way closed, but the sound crew needs access to their equipment so we had to leave a small opening. Please note that area is not safe at this time and will be undergoing renovation and construction for a number of weeks, so consider that area off limits until further notice. Thanks so much for your cooperation.

#### New Teen Website

From Clyde Kilough:

We are pleased to introduce a new website dedicated to our

COGWA teens! Your thoughts, trials and experiences are unique to you. You'll find blogs, sermon messages and more—all with topics just for you! Don't see what you're looking for? You can even suggest a topic! We hope you'll find this website useful in dealing with everyday life as a teen following God's way. Visit the new site today at [teens.cogwa.org](http://teens.cogwa.org)!

#### Lost and Found

There are quite a few items that have accumulated in our lost and found. Please take a moment to check the box in the entryway to claim any items that are yours. We will leave the box out a few weeks, and all items that are not picked up will be donated.

#### Thank You

James and Scarlet Ellis want to thank everyone who helped in setting up, running, and cleaning up the picnic and yard games. Everyone had a great time!
