General Announcements

Reception Honoring Walkers

Leon and Reba Walker will be moving to Florida at the end of June. They have served the brethren in Latin America as regional director since 1979. Mr. Walker actually began serving in the Spanish work in 1956, when he was hired to assist Benjamin Rea, the first director of the Church's work in Spanish-speaking areas. In the following years, Mr. Walker served in a number of other jobs with the college and also pastored congregations in England before being appointed as regional director for Latin America by Herbert Armstrong in November of 1979. He has served in this job ever since, now approaching 40 years. Mr. Walker is currently a member of COGWA's Ministerial Board of Directors and has served as a

liaison for the international leadership team.

They have been members of the local congregation for many years, and we'd like to give them a nice send-off. Please join us after services **today** for a reception. We are asking everyone to bring finger-foods and snacks. (Please remember to label your containers.)

Social Planning Meeting

It's time to start planning our local activities now that the regional calendar is set. Please be thinking of ideas to share at our upcoming social planning meeting Wednesday, July 18, at 7 p.m. at our church hall.

Camp Application Deadlines

You can still apply for Camp Arrowhead and Camp Sequoia, as well as for any of our teen camps except for Camp Carter, which has reached capacity. It's time to get your summer camp plans set, so if you have not yet applied, now's the time to do so! Our Christian Living theme this year is "Walking With Integrity," and we hope you'll join us!

We also want to let you know that the online payment system for each of our camps has gone live for credit and debit cards. Unfortunately we cannot do

eChecks with this new system but know some will find it a great service to be able to pay online. Simply go to the page for the correct camp and click the green PAY NOW button on the right sidebar. You will need to get a new COGWA ID to use the system. (Note that it is not your donor number.) If you have any trouble or questions, contact Mr. Treybig.
