Office Move-In

From headquarters (for surrounding congregations):

On Wednesday, Feb. 27, we loaded everything from the Church office in Allen and transported it the 6 miles north to McKinney! It actually took two days to move everything from the old office to the new one. On Friday, March 1, we opened the new office for business, although most of the day was spent unpacking! Foundation Institute classes resumed Monday morning in our brand new classroom!

Thank you for all your prayers and support! It has been a long journey, but we have arrived at a significant point in our short history. Our new address is: 3701 Medical Center Drive, McKinney, Texas. Our phone numbers are the same and we are keeping our post office box in Dallas for donations. We will be changing our Allen post office box to a new one in McKinney for letters and other mailings.

Since we know that many of you would enjoy visiting the new office, we are planning an open house on Sunday, April 7. It will be from 3:00 to 5:00 PM and will be a casual walk through for those interested. We still have several items to take care of and more furniture to be delivered before everything will be completed. We are hopeful to have most of it done by the open house.

After the open house, we are also planning a formal dedication of the building at the beginning of the International Ministerial Conference which is scheduled for May 20-22. The dedication will be on Sunday evening, May 19. With ministers and wives from around the world in town for the conference, we anticipate more than 300 people will be in attendance, which will strain the capacity of our facility, but this is a very special occasion. Any local members who desire to attend the dedication are certainly welcome.

Foundation Institute

Foundation Institute is pleased to announce that we have accepted the first 13 applicants as students in next year's program.

More applications are currently in process and we hope to accept a second group of applicants prior to Passover.

Those who wish to attend next year and have not yet submitted an application should consider doing so soon. While our classroom capacity will be greater in our new facility, and the official deadline for applications is May 31, there is still the possibility of reaching capacity prior to the deadline. Early applications also enable us to make sure we have adequate student housing available. While we will accept applications after the deadline as long as there is room, we cannot promise housing for those who apply after that date.

Applications and admission information is located on the Foundation Institute website.

Houston Black Tie Ball

The Houston COGWA congregations cordially invite you to this year's formal dinner dance which will take place Saturday evening, April 27 in Spring, Texas...just north of Houston. A fine meal, live music, dancing and fellowship with brethren at a beautiful location is a great way to conclude the spring holy days. Last year, after enjoying a lovely meal, 165 people danced the night away to a variety of music genre. You won't want to miss out this year! Seating is limited, so don't wait to purchase tickets.
