General Announcements
Church Picnic CANCELLED
Due to Governor Abbott’s Executive Order that has been extended through April 30, the picnic will be cancelled at this time.

Camp Applications
As was announced from Headquarters, we are still planning to have our summer camps. Clearly that will depend on national and local COVID-19 guidelines. Please go ahead and apply since we can notify you if we need to postpone or cancel and can easily refund any fees that are paid.

Remember we are starting a new system this year. You will start at the same place you’ve always gone—the COGWA Portal—but be sure to read the instructions in the blue box over the list of household members once you click to apply. One additional tip we’ve found is to NOT allow your browser to “auto-fill” any fields. When it does, it often changes the applicant name!

If you submit an application and then need to change something, simply email the appropriate camp director and he will make the changes for you in Salesforce. (The applications are not stored in the Portal now.) We appreciate your patience in working with this new system. If you have any trouble or questions, you can contact us at registration@cogwa.org, and we’ll be happy to assist you, or you can contact the camp director.

Ladies Tea
There is a tea scheduled for the ladies on May 3. Of course, this may get cancelled with our current COVID-19 guidelines. We will keep you informed.

Sabbath School
Sabbath School is planned to meet again on May 9 if the social distancing requirements are removed.
