General Announcements

Return to Services

Headquarters will be making an announcement this Sabbath about plans for returning to local services.

Camp Applications

As was announced from Headquarters, we are still planning to have our summer camps. Clearly that will depend on national and local COVID-19 guidelines. Please go ahead and apply since we can notify you if we need to postpone or cancel and can easily refund any fees that are paid.

Remember we are starting a new system this year. You will start at the same place you've always gone—the COGWA Portal—but be sure to read the instructions in the blue box over the list of household members once you click to apply. One additional tip we've found is to

NOT allow your browser to “auto-fill” any fields. When it does, it often changes the applicant name!

If you submit an application and then need to change something, simply email the appropriate camp director and he will make the changes for you in Salesforce. (The applications are not stored in the Portal now.) We appreciate your patience in working with this new system. If you have any trouble or questions, you can contact us at registration@cogwa.org, and we'll be happy to assist you, or you can contact the camp director.

Ladies Tea

We had a tea scheduled for the ladies on May 3. Due to the current COVID-19 guidelines we will have to postpone that event. Watch for a later announcement if we are able to reschedule it.

Sabbath School

Sabbath School has been cancelled. We will resume next school year.

Graduation Reception

The reception that was scheduled for May 16 will be postponed. We will announce when it has been rescheduled.
