General Announcements

Sabbath School
Sabbath School has been can-
celled. We will resume next school year.

Mother’s Day
We wish all our mothers a happy Mother’s Day tomorrow, May 10.

“Friday Night Live”
Mr. Daniel Harper will present the next “Friday Night Live” Bi-
ble study Friday night, May 15. The title is “Self-Reliant of Self-
ish?” To connect, go to http://members.cogwa.org/fnl/.

Graduation Reception
The reception that was sched-
uled for May 16 will be post-
poned. We will announce when it has been rescheduled.

Return to Services
Headquarters made the an-
nouncement last Sabbath that cer-
tain congregations may begin
meeting in person May 30, de-
pending on local regulations.
East Texas will begin meeting
that day, following the Texas
governor’s guidelines in place at
that time. Ruston, however, will
not yet meet due to the higher
numbers of COVID-19 cases in
Louisiana and therefore a slower
pace in reopening various as-
pects of the economy as well as
in-person meetings.
East Texas will meet on May
30. If you do not feel comforta-
ble meeting in person yet (the
current guidelines encourage
those in the “at-risk” category to
strongly consider not yet meet-
ing), you can still connect to ser-
vice via webcast or phone hook-
up as usual. There will be a
Google form emailed out soon
asking you to fill in whether you
plan to attend so we can better
plan our seating arrangements
and ushering responsibilities
to stay within the state guidelines
for church services.

Holy Day Offerings
Please either mail or submit
your holy day offerings online
by following the same instruc-
tions used for the Unleavened
Bread holy days. If you have a
question, please let Mr. Treybig
know.

Elders – Here to serve you

Melton McNeely – (903) 769-3394
Scott Hammer – (903) 738-5367

Pentecost
There will be one service on
Pentecost, May 31. It will be a
webcast from headquarters at 12
noon.

Camp Applications
As announced last Sabbath, the June preteen summer camps
have been cancelled. The other summer camps are still sched-
uled.
Remember we are starting a new system this year. You will
start at the same place you’ve always gone—the COGWA Por-
tal—but be sure to read the in-
structions in the blue box over
the list of household members
once you click to apply. One ad-
ditional tip we’ve found is to
NOT allow your browser to
“auto-fill” any fields. When it
does, it often changes the appli-
cant name!
If you submit an application and then need to change some-
ting, simply email the appro-
perate camp director and he will
make the changes for you in
Salesforce. (The applications are
not stored in the Portal now.) We
appreciate your patience in
working with this new system. If
you have any trouble or ques-
tions, you can contact us at reg-
istration@cogwa.org, and we’ll
be happy to assist you, or you
can contact the camp director.
