General Announcements

Return to Services

Headquarters made the announce-ment that congregations may begin meeting in person
May 30, depending on local reg-
ulations. East Texas will begin
meeting that day, following the
Texas governor’s guidelines in
place at that time. Ruston, how-
ever, will not yet meet due to the
higher numbers of COVID-19
cases in Louisiana and therefore
a slower pace in reopening vari-
ous aspects of the economy as
well as in-person meetings.

East Texas will meet on May
30. If you do not feel comforta-
able meeting in person yet (the
current guidelines encourage
those in the “at-risk” category to
strongly consider not yet meet-
ing), you can still connect to ser-
dices via webcast or phone
hookup as usual. There will be a
Google form emailed out early
next week asking you to fill in
whether you plan to attend so we
can better plan our seating ar-
rangements and ushering re-
sponsibilities to stay within the
state guidelines for church ser-
dices. Please be sure to watch for
an email that week with the link
and respond ASAP so the ush-
ers can get an idea of how best to
seat everyone with the proper
spacing.

The guidelines say that all em-
ployees and volunteers are to
wash or sanitize their hands
upon entering the building and
attendees are encouraged to do
so as well. Someone will hold
the door open for you as you en-
ter the building and will offer
you a squirt of hand sanitizer
made from alcohol and natural
ingredients.

The ushers met last week to
plan how best to seat everyone
and will be directing you to ei-
ther the front door or the one on
the side of the Auditorium to
enter the building. Families, ex-
tended family, couples who have
been dating, co-workers who
have been around each other,
and anyone else who rides to-
gether or has been in the pres-
ence of each other are allowed to
sit together.

To maintain proper social dis-
tancing most fellowshipping
will need to be with those seated
near you—or you can visit out in
the open areas outside the build-
ing. Masks are optional, and they
will not be provided by the
Church, so please bring your
own if you desire.

We have put all the hymnals
away and will be projecting the
words on the screen. If you want
to use a hymnal, please bring your
own. We will not have
snacks or offer tea/coffee. Bot-
tled water will be available.

If you are not feeling well, as
has always been our request,
ples do not come. Services
will still be webcast, or you can
tune in via the phone hookup.

Holy Day Offerings

Please either mail or submit
your holy day offerings online
by following the same instruc-
tions used for the Unleavened
Bread holy days. Mr. Treybig
will be happy to answer any
questions you have.

Pentecost

There will be one service on
Pentecost, May 31. It will be a
webcast from headquarters at 12
noon.

Camp Applications

As announced, the June
preteen summer camps have
been cancelled. The other sum-
mer camps are still scheduled as
of now. The directors will meet
again in early June to make a
decision about the other camps.
