Church of God, a Worldwide Association

Job Opening – Video Production

The Media department of the Church of God, a Worldwide Association, has an immediate opening in video production. Basic job responsibilities and/or requirements include:

- Editing various video projects, including video, music and sound effects.
- Shooting video of various presentations for staff, the membership, the general public, the Internet and television.
- Designing lighting and set pieces for various projects.
- Functioning as a technical director during studio recordings.
- Designing concepts and graphics.

- Occasionally writing/editing copy.

Ideally, we prefer to have someone with a bachelor's degree in video production from a four-year college or university and at least three years' related experience in video editing, camera operation, television production, graphics design, sound design, music editing, etc. However, we would not rule out considering an equivalent combination of education and experience, and we are willing to consider someone who has a level of experience but might need further training. Employment start date is negotiable.

You must be a baptized member in good standing of the Church of God, a Worldwide Association, unless approved by the president, and possess a working knowledge of the doctrines, beliefs and practices of the Church of God, a Worldwide Association. And you must be willing and able to relocate to the Church headquarters area in Texas.

If you are interested, please send a résumé, portfolio and any other information to clyde.kilough@cogwa.org.

Branson Presidents' Day Family Weekend Canceled

After much thought, prayer and extensive discussions with

Elders – Here to serve you

Ken Treybig, Pastor – (903) 714-3684

James Ellis – (903) 261-1928

Scott Hammer – (903) 738-5367

Melton McNeely – (903) 769-3394

John Trotter – (903) 636-4515

area pastors and the administration of the Church, we have concluded that it is the prudent decision to cancel the Presidents' Day Family Weekend for 2022.

While the Omicron surge is slowing down in some areas of the U.S., the community transmission is still high. Due to the close nature of the weekend's activities, we would have to restrict so much that we felt it best simply to cancel this year's event and look forward to this wonderful family event in February 2023.

We realize many of you look forward to this event from year to year and will doubtless be disappointed with the cancellation. You are no more disappointed than we are, I assure you. We waited as long as we could to make the decision in hope that things would change.

We appreciate your understanding and patience, and we look forward to the day in the near future when such events will be able to be hosted without concern for the health and safety of the brethren.

Local Directory

Our last local directory was published in May of 2019. We've had a number of people move away, others move in as well as some births—so it is time

to update it! See Mr. James Ellis to get your update form or to get a blank form if you were not in the last directory. Please return all forms to Mr. Ellis or Mr. Trotter. If you need (or want) a new photo see Joanne Gonzalez in East Texas or Johna Barnette in Ruston.
