### **Foundation Institute Continuing Education**

We're back! After a three-year hiatus because of the corona-

virus, Foundation Institute, Center for Biblical Education, is happy to announce the first two summer Continuing Education sessions since 2019.

The two weeklong sessions will be held in the Foundation Institute classroom at the Church's headquarters office in McKinney, Texas. We will have capacity for 36 students in each of the two sessions.

These two sessions will be held July 18 to 22 and July 25 to 29, 2022. Classes will be taught by Foundation Institute instructors David Johnson and Ralph Levy, as well as other ministers from the headquarters office. Some 29 hours of Bible instruction will be taught. Details about class offerings are not confirmed yet, but will be announced in due time. Class offerings may not be identical between the two seminars, but for the sake of space, we request that students sign up for only one of the two sessions.

The tuition for each session is \$75 per person or \$125 for a married couple. The fee will cover administrative costs for the program and a light lunch each day.

Registration will open at 10 a.m. Central time (local Texas time) on Sunday, March 20, 2022. Beginning at that time, you may sign up as a student by going to the Foundation Institute website ([foundationinstitute.org](http://foundationinstitute.org)), selecting "Continuing Education," and clicking on the "Register Now" button that will appear near the bottom of the page. Those accepted will receive a confirmation email and further details about the program. Information about local housing will also be sent to those accepted for one of the seminars.

We look forward to seeing you here in Texas, for our first summer Continuing Education seminars in three years. As they say here in Texas, *y'all come!*
